AGRI VINYL PANEL

Royal AGRI Vinyl is the Original and still the Best Solid Vinyl Panel System for Farm Applications

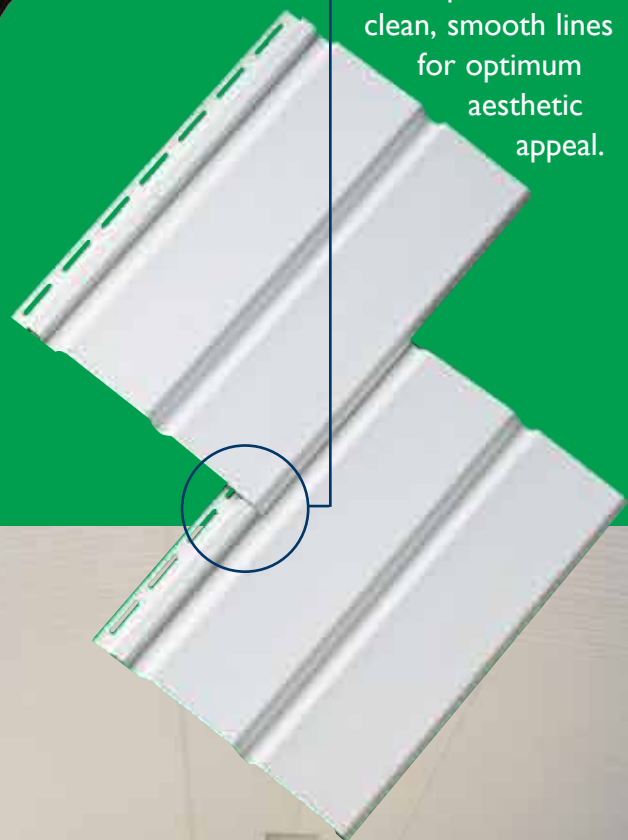

"Don't Settle for Anything Less"

- Minimize Dirt Adhesion
- 3 Profiles to Choose From
- Smooth on the Outside, Tough on the Inside

AGRI vinyl panels are available in 3 practical profiles: Double 4 Vertical, Double 5 Vertical and Triple 4 Vertical. These panels come in a low-gloss smooth finish.

Tighter and More Secure

A positive locking system ensures that each panel snaps together firmly, providing a tight and secure fit. The locking system also helps to create clean, smooth lines for optimum aesthetic appeal.

No exposed Fasteners helps Reduce the Attraction of Flies

CMYK

No More Painting – Ever!

You'll save time on upkeep because Royal AGRI panel system retain their "just installed" look season after season. The secret is our breakthrough material formulation, which incorporates the most advanced colour-retention technology available.

And when you consider the high cost and inconvenience of repainting repeatedly, Royal AGRI is an investment that virtually pays for itself over time.

Damage Resistant & Sanitary

Because it's formulated with our exclusive Royalside® compound and won't dent, peel, flake or corrode. Look to the Royal Crown for durability. A good washing will help maintain a sanitary environment.

Better Light Reflection with our Bright White Vinyl Profiles

Trim packages available in white. Or accent your project with coloured accessories.

Long-Lasting Appeal

Royal AGRI vinyl panels make your daily production more enjoyable by brightening up the interior of your facility.
