

**ROYAL GROUP ADDS SIMEON (SIM) GADDY AS KEY ACCOUNT MANAGER
TO WINDOW & DOOR DIVISION**

November 5, 2010 - Royal Group's Window & Door Division is pleased to welcome Simeon (Sim) Gaddy to the sales team as Key Account Manager. In this role Sim will be responsible for the effective management and development of accounts located in the South Eastern United States, South America and the Caribbean territories.

Sim comes to us from Gaddy Construction Co, LLC, where he served as owner of this custom home building and renovation business. Prior to his time as a builder, Sim served as Quality and Testing engineer for AMP, Inc where he performed quality audits, supervised sampling and testing, and worked directly with production personnel in resolving quality control issues.

Sim holds a B.S. in Electrical Engineering from Clemson University.

About Royal Group

Royal Group, Inc., a subsidiary of Georgia Gulf Corporation (NYSE: GGC), creates and produces attractive, durable, low-maintenance home improvement, building and construction products. For over three decades, the company's commitment to product innovation, quality and customer relationships has served to attract a growing number of homeowners, architects, engineers and distributors to its products. With operations located throughout North America, Royal Group, Inc. offers the renovation, remodeling and new construction industries a broad range of innovative products, including siding, deck, fence and rail, trim and mouldings, pipe and fittings, and window and door profiles. Royal Window and Door Profiles is a division of Royal Group, Inc. For more information, please visit www.royalbuildingproducts.com
