

Royal[®] Column Wraps

Architectural distinction
without maintenance drama:
it's all here.

Contractor Series

WHO SAYS BEAUTY AND EASE ARE MUTUALLY EXCLUSIVE?

When it comes to upgrading a home's exterior, start simple. Continue with the sleek, minimalist lines of our Contractor series column wraps, an effortless complement to contemporary homes.

Don't fret about finding the perfect fit—our Contractor series is available in 4x4, 6x6, 8x8 and 12x12 in 8'6" and 10' lengths. Every style is designed to stand up to the elements, so all homeowners have to do is stand back and admire.

Traditional Series

SEE HOW TRANSFORMATIONAL TRADITIONAL CAN BE.

Often overlooked but never overrated, the ornate details of our Traditional column wraps sublimely enhance classic home styles, like the Colonial.

We've made them available in 8'6" and 10' lengths and 4x4, 6x6, 8x8 and 12x12 to ensure the right fit. Plus they're made with highly durable, low-maintenance PVC that won't rot, warp or sag. So you get a great look that lasts.

Craftsman Series

GORGEOUS FROM THE GROUND UP.

Channel the confident, purposeful presence of Craftsman-style homes with column wraps of the same name.

Our products are made to endure long after installation to resist warping, sagging and rotting. You'll find versatility in the options we offer, from 4x4, 6x6, 8x8 and 12x12 dimensions and 8'6" and 10' lengths.

Royal® Building Products exists for one reason: to push the limits of what every type of exterior can be. We strive for best-in-class manufacturing and industry-leading innovation. What drives us? Every homeowner who demands exteriors that add value, perform impeccably, look amazing and make their lives easier. Our goal is to bring more products, more styles, more technology, more design insight and more sustainable solutions to the attention of everyone who cares about creating the best exterior possible.
