

Aluminum siding:
where streamlined becomes showstopping.

DESIGN SERIES 6" SIDING IN CHARWOOD

ON COVER: DESIGN SERIES 6" SIDING IN CEDAR BARK

You can expect flexibility and
durability from aluminum siding.

But we're taking things beyond that.

We're putting aluminum siding where it

belongs: front and center as an

exterior-transforming accent.

MORE THAN RELIABLE: ALL THE REASONS TO CONSIDER ALUMINUM

Aluminum siding is widely known for its adaptability and durability. But it takes a special kind of siding to take your home to the next level. Cedar Renditions™ by Royal® covers it all as a complementary accent with easy maintenance and wood curb appeal in several expressive colors.

Top Features:

- Look of real woodgrain
- Virtually maintenance free
- Moisture proof
- Easy to install
- Non-flammable
- LEED compliant and 100% recyclable
- 25-year prorated limited warranty

Cedar Renditions siding, trims and accessories—available in complementary woodgrain patterns—work together to tell an unforgettable design story.

Available Profiles and Accessories:

- Design Series 6" Siding

CEDAR RENDITIONS™ BY ROYAL® DESIGN SERIES

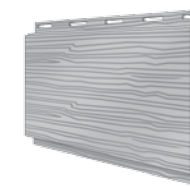

Aluminum. Elevated.

Cedar Renditions Design Series is as contemporary as siding gets—combining sturdy contemporary wood aesthetics and a distinctly streamlined presence with the durability of thicker gauge aluminum siding. Which makes it a knockout and a no-brainer for any project.

It enhances the curb appeal of any home: as a subtle or dramatic contrast that complements a broad array of exteriors, including Board & Batten, Shingle and Stone.

- **Features a wide reveal and a thicker gauge siding**
- **Modern, streamlined look**
- **Seamless overlapping notch to achieve longer length**
- **Residential and light commercial applications**
- **Compatible with Cedar Renditions accessories**
