1. Applicability.

(a) These terms and conditions of purchase (“**Terms**”) are the only terms which govern the purchase of the goods and services (“**Deliverables**”) by Westlake Chemical Corporation and its subsidiaries and affiliates (“**Buyer**”) from the seller named on the Purchase Order (“**Seller**”).

(b) The purchase order submitted with these Terms (the “**Purchase Order**”) and these Terms (collectively, this “**Agreement**”) comprise the entire agreement between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral concerning the subject matter herein. These Terms prevail over any of Seller’s general terms and conditions of sale regardless whether or when Seller has submitted its sales confirmation or such terms. This Agreement expressly limits Seller’s acceptance to the terms of this Agreement. Acceptance or fulfillment of any part of this Purchase Order constitutes acceptance of these Terms.

2. Delivery of Deliverables.

(a) Seller shall provide the Deliverables in the quantities and on the date(s) specified in the Purchase Order, or as otherwise agreed in writing by the parties (the “**Delivery Date**”). If Seller fails to provide the Deliverables in full on the Delivery Date, Buyer may terminate this Agreement immediately by providing written notice to Seller, and Seller shall indemnify Buyer against any losses, claims, damages, and reasonable costs and expenses directly attributable to Seller’s failure to provide the Deliverables by the Delivery Date. Seller shall pack all Deliverables for shipment according to Buyer’s instructions or, if there are no instructions, in a manner sufficient to ensure that the Deliverables are delivered in undamaged condition. If Seller fails to deliver replacement Deliverables, Buyer may replace them with Deliverables from a third party, and charge Seller the cost and expenses incurred to secure the replacement Deliverables, and terminate this Agreement for cause.
